

Children & Families Workforce Development
Programme

'Developing Core Skills & Knowledge to Improve Outcomes for
Children, Young People and their Families'

	Supervision Sessions for staff using the Attachment Parenting Programme
<i>Supervisor:</i>	Joy Osborn
<i>To book a Place:</i>	Email direct to: alan.farmer@bournemouth.gov.uk
<i>Event Description:</i>	<p>Up to two-hour group supervision. 4.00-6.00p.m.</p> <p>We have recognised that there are some people who have completed the Attachment Parenting Programme by Future Childcare Training, and who do not have any access to regular supervision. We wish to offer group support/supervision with Joy Osborn for 1 hour as regularly as is possible. We hope to provide some dates for those people who are currently working though the programme with parent/s, who do not have a structured supervision model within their service group, and who would benefit from some time to discuss this work. After an initial period, it is hoped that this could develop into a core group who would meet regularly, and independently of Joy.</p> <p>Please let Alan Farmer know if you would see this as supportive and particularly if you are currently undergoing the programme without professional supervision.</p>
<i>Target Group:</i>	Practitioners who have completed Level 2 'Attachment Parenting Programme' and are undertaking this work with parents.
<i>Subsidised cost to participant:</i>	FREE
<i>Available places:</i>	6
